

LEARN QUEBEC

www.learnquebec.ca

LEARN is an educational foundation supported in part by funding from the Quebec-Canada Entente for Minority Language Education that:

- offers e-learning services and support to all English schools and boards
- supports and promotes pedagogical collaboration and innovation using information technology, and works to model best practices; and
- publishes quality learning materials to support students and educators.

Some of the services you can access with LEARN access codes:

SOS LEARN – FREE Online tutoring service available 4 nights a week for elementary and secondary students, with tutoring according to subjects. Information and registration available online.

<http://learnquebec.ca/en/services/tutorials.html>

VoD Zone - Click on the **VODZone** link to enjoy access to over 5,000 Discovery videos. Students have access from 5PM - 7AM. This is a wonderful resource for research and enrichment.

Course Material – Access to a variety of subject-specific resources developed by Quebec teachers to support students as they study.

Explore the website for many more resources supporting English education in Quebec.

Please note that for your convenience links to the above features are available on the main page of our school website at www.symmesdarcy.com.
