### SYMMES FOOTBALL INFORMATION

Dear Student/ Parent,

Symmes Junior High School is pleased to announce that due to its on and off the field success over the last few years, it will be running two football teams next year in the Outaouais Jr. High School Football League. One team will consist of grade 8 & 9 players and the second team will be largely made up of grade 7 players with some older players. No players will be cut from the Division 2 team. The level 1 team a Symmes/Darcy team will play in the Competitive Division consisting of teams that have a high calibre of play and whose finalist will vie for the Bol d'Or of Quebec. The level 2 team, a Symmes team consisting of mostly younger players will play in a developmental division for players that either have no previous experience or very little. The goal of course is for the grade 7 players to graduate to the Competitive level the following year.

We Believe...In Ourselves and Each Other

The Symmes Football Program has garnered a strong reputation over the last few years of being a well coached, competitive team that not only wins championships but imparts the important values of team play, sportsmanship, loyalty, sacrifice and respect while insisting on the importance of dedication to academic achievement; all life skills that will benefit players well after their football playing days are over. For interested players and their parents, there will be an information session to be held at Symmes/Darcy sometime in July. We encourage you to come out and meet the coaches.

If your child is in Grade 6 and graduating to Symmes and is interested in playing Symmes football: to register his/her interest please contact Darrell Munro [dmunro@kinbauri-gold.com](mailto:dmunro@kinbauri-gold.com) who will provide you a registration form and put you on our e-mail list for further information.

For any other requests please contact Michael Reid, Head Coach at [mreid@wqsb.qc.ca](mailto:mreid@wqsb.qc.ca)

Sincerely,

Michael Reid
